Short Answer: On a separate sheet, please answer the following questions in 1,000 – 1,250 words. Read the questions carefully and make sure you fully respond to them.

- 1) After your first internship experience with Community Scholars, what does public policy mean to you? Why is it important to understand public policy?
- 2) Present and discuss thoughtful and realistic solutions to the growing number of uninsured citizens in the nation.

Letters of Recommendation: *All applicants will be required to submit 2 letters of recommendation for review. One letter must be from a faculty member or an individual who is capable of discussing your academic achievement and motivation. The other letter may be from a referrer of your choice. Letters from former or current Community Scholars staff or board members will not be accepted. Do NOT use the recommendation form found on the website for first-year interns.*

The letter should be submitted with your application in a sealed envelope, with the referrer's name across the seal.

Resume: Please ensure that you also submit a resume/vita for review.

Official Transcript: Please submit an official transcript along with your application, sealed by your registrar. Unofficial transcripts, degree audits or grade displays will not be accepted.
