Short Answer: On a separate sheet, please answer the following questions in 1,000 – 1,250 words. Read the questions carefully and make sure you fully respond to them.

- 1) What does public policy mean to you? Why is it important to understand public policy?
- 2) How efficient and effective will you be in leading a research team of high school interns this summer?
- 3) Present and discuss thoughtful and realistic solutions to the growing number of uninsured citizens in the nation.

Letters of Recommendation: *All applicants will be required to submit 2 letters of recommendation for review. One letter must be from a faculty member or an individual who is capable of discussing your academic achievement and motivation. The other letter may be from a referrer of your choice. Letters from former or current Community Scholars staff or board members will not be accepted.*

The letter should be submitted with your application in a sealed envelope, with the referrer's name across the seal.

Resume: Please ensure that you also submit a resume/vita for review.

Official Transcript: Please submit an official transcript along with your application, sealed by your registrar. Unofficial transcripts, degree audits or grade displays will not be accepted.
